Product Description:

The Silhouette Cameo® Plus is a larger version of the Cameo 4 desktop cutting machine. It can accommodate material widths of up to 15 inches and lets you make precision cuts in vinyl, cardstock, fabric, and more.

Machine features:

- Wider roller positions to accommodate materials up to 15 inches wide
- Built-in roll feeder that allows you to easily load and cut rolled materials like vinyl and heat transfer up to 15 inches wide
- Built-in crosscutter that lets you trim vinyl or heat transfer right from the roll
- 3 mm clearance for cutting thicker materials
- Sliding lid and backlit touch panel give your machine a sleek and compact aesthetic
- Bluetooth® connectivity allows wireless cutting
- Print & Cut capability allows you to print a design and cut around it
- PixScan™ compatibility allows you to cut out unique shapes or cut using leftover scraps of paper
- Driven by Silhouette Studio®, the software that gives you limitless design options (Mac and Windows compatible)
